Green Printing

For all of us who use our printers a lot ... to print foundation patterns, with EQ6, making labels, or even your own fabrics. Our guest will be Kurt Pritz of Cartridge World—Westerville. He'll tell us how to save a lot of money on our print cartridges and at the same time keep all that plastic out of the landfill.

THINK GREEN

ENVIRONMENT Reduce, Reuse, Recycle

**Star Light - Star Bright
Stars Collected Tuesday Nite**

Remember to bring your completed STAR Comfort Quilt to the September meeting. We'll have a *Star Studded Presentation* of all the creations!

We hope you took the challenge to use stars in some fashion for your quilt, but of course we will gladly accept any quilts for our service project.

Membership voted at the August meeting to give the quilts to the Westerville Police Department for use by patrolmen in their cruisers. The Police Department will seal the quilts in plastic so they remain clean as patrolmen carry them in their cars for use for children in emergency situations.

Thank you in advance for all the work you have done.

It's That Time Again!

Time to start thinking about what you want to do for 2008 when it's your turn to be *President-of-the-Month!* We've had a great year and we'll have another great year when everyone comes through again with programs and guests. We have some new members that will hopefully be able to add new and exciting things to the calendar for 2008. So start planning now! And we'll need Greeters too!
